RE: Hampton Inn Electrical Service

Dear Jay,

Thank you for the opportunity to propose our services for the referenced project. Dammon Engineering is pleased to provide you with our proposal to furnish engineering services for the above project.

We propose to invoice for the drainage design on an hourly basis, however our rate for reengineering the electrical service entrance is \$2500. This fee includes five sets of drawings, ready for permit application, provided to you following 100% design completion. Our fee does not include the cost of soils analysis, drainage studies (other than as indicated above), traffic studies, wetlands determination, or other engineering studies that may be required by government agencies.

Hourly Rates: Designer - \$85.00; Engineer \$125.00; Principal \$175.00

Dammon Engineering carries \$1,000,000 Professional/General Liability Insurance, Auto Insurance and Workmen's Compensation Insurance. We appreciate the opportunity to propose our services for this project. Unless this offer is previously accepted, it will be withdrawn automatically at 5:00 p.m., 30 days from the date of issue. Please indicate your acceptance of the above by signing below. If you have any questions, or require any further information, please feel free to call.

By signing below you acknowledge that you are duly authorized to enter into and execute contracts/agreements on behalf of Hampton Inn Hotels & Suites of New Orleans.

Sincerely,

David Dammon
Vice President
Dammon Engineering
