Honorary Chairman Mayor Freddie Drennan and Slidell Little Theatre have joined with the National Association of Women in Construction to raise funds for the Slidell Little Theatre's "Next Stage" project & NAWICs community outreach and educational programs. The mission of this alliance is to "Raise funds to enhance and expand programs for youth and other theatrical endeavors for the entire community". We would like to invite you to our fundraiser on March 19th 2011. This fundraiser will be our "2nd Annual Northshore Gumbo Cook-off" held at the new Slidell City Administration Buildings on Second Street.

SLT, a 501(c) 3 non-profit tax deductible community theatre, has been providing the community with the opportunity to not only see live theatrical

SLT has been an active participant on the Northshore for over 45 years. SLT is the largest Arts Organization on the Northshore, with over 900 members. We now reside in a state of the art facility off Shortcut Hwy just west of the I10 Fremaux exit.

The present YATs program invites youth ages four to eighteen to experience live theatre as performers, crew, and technical technicians. There are over two hundred youth participating in our summer program. Unfortunately the program is limited by our facilities. So we have started this fundraising campaign to help grow the facilities and programs. We hope with your support, to further our educational programs for all ages.
