Organize & Manage Your Club and District's Committees

With this add-on module, clubs and districts now have the ability to create, manage and store all committee lists along with designated chairpersons, secretaries, and members.

Only accessible by member login, you now have a way to centralize all committee listings and communicate to members without switching screens!

Name	Chair	Type	Actions
International Service (District)			
District Exchange Team	Edith Anderson		
District Exchange Committee	Jan DeBorja		
District Study Exchange			
District Exchange Team	Adrienne Anderson		
Membership Committee			
Membership Application Committee	Adrienne Anderson		
Public Relations Committee	Adrienne Anderson		
Public Relations	Edith Anderson		

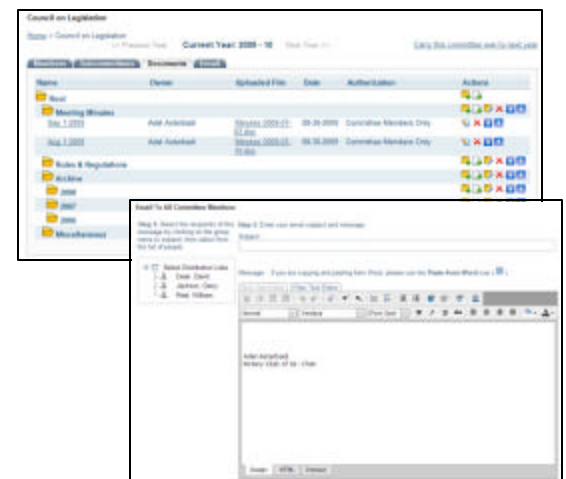

The **Standard Version**, included in your ClubRunner subscription, allows you to:

- Add a listing of all your club's yearly and standing committees
- View complete listings of all available committees
- View all contact information for committee members and executives

Upgrade to the **Enhanced Version*** and gain the ability to:

- Post documents for download
- Create and send emails to committee members
- Create unlimited levels of subcommittees

* This version is included with the subscription of the ClubRunner (district version).

To create and manage your club or district's committees, you must have access to the Site Administrator functions (level 30 – club access) or to Communication Services (district access).

Request a 14-day free trial and learn more about this module, by visiting www.clubrunner.ca/committees. Join us in a webinar, watch a video or simply contact a member of the ClubRunner Team for details.
