RE: 261 Stone Road Sprinkler System for Building, PO 96782

Mr. Latournerie,

Thank you for the opportunity to propose our services for the referenced project. Dammon Engineering is pleased to provide you with our proposal to furnish architect and engineering services for the above-proposed project on Stone Road, which will consist of the addition of a sprinkler system to the existing 9,425 square feet of office and industrial space.

Our design package will include project drawings and establish Dammon Engineering as the Profession of Record with the State Fire Marshal.

We propose our fee on an hourly rate of \$150/hr for architect and \$45/hr for administrative support plus any additional expenses incurred plus a 10% overhead fee on these expenses. We estimate this project to include 14 hours of architectural time, \$2,100.00, and 3 hours of administrative time, \$135.00, expenses include a State Fire Marshal review fee of \$55.00, for a total of \$2,295.50. Please amend the current PO 96782, to include this additional fee.

If you have any questions, or require additional information, please feel free to call.

Sincerely,

David Dammon, VP
Dammon Engineering, Inc.
