Dear Carol,

Thank you for contacting Dammon Engineering to provide Air Conditioning calculations for the remodeling of the Member Services Training Room. Dammon Engineering will make HVAC calculations and provide them to you and, at your discretion, to Equity Office Properties.

Our fee for these services is \$400.00 (Four hundred Dollars). This fee includes reviewing the space being renovated, calculating new heat loads and comparing the new heat loads to existing capacities.

Dammon Engineering carries \$1,000,000 Professional/General Liability Insurance, Auto Insurance and Workmen's Compensation Insurance.

We look forward to working with you on this project. Please indicate your acceptance of the above by signing below. If you have any questions, or require any further information, please feel free to call.
