IMPORTANT NOTICES

All balances are subject to change as a result of any transactions, the assessment of any fees or any costs being incurred with respect to the account that occur prior to the application of payoff funds.

Similarly, if any payments applied to this account within the 30 days prior to the date of this payoff quote are reversed for any reason, including but not limited to insufficient funds or a stop payment being placed on a check, this payoff quote is deemed invalid.

If the account is currently subject to a foreclosure action, we will not delay or dismiss any pending foreclosure action while awaiting your payoff payment. Additional attorney's fees and costs may accrue between the date of this letter and the date of payoff. In addition, these charges do not include additional advances that may be made after the date of this letter.

Notice of continued Autopay enrollment: If the account is enrolled in automatic debit of the monthly mortgage payment from your financial institution (Autopay), please be aware that the monthly payment will continue to debit each month until you cancel or as of the date the account pays in full. Please contact us on the number listed above at least three business days before the next scheduled withdrawal date if you wish to stop this service prior to the next scheduled withdrawal date.

Overpayment or underpayment of payoff amount: After receiving payoff funds, we will verify all amounts due and contact the issuer of the funds in the event of any discrepancies. The payoff amount does not include any applicable positive escrow balance. After the payoff funds have been applied and the account has been reconciled, any overpayment of funds will be returned to the issuer through regular mail within 20 business days of the date the funds are received. Escrow account overages will be disbursed within 20 business days. Please allow additional time for mailing. Please be aware that to the extent permitted by law, if the payoff funds received are less than the total amount necessary to pay the account in full, any escrow funds remaining after payment of insurance and taxes due may be applied to the mortgage at payoff. In the event of an underpayment of the required stated payoff funds, if the escrow funds are insufficient to pay the account in full, we will return the funds and continue to accrue interest on the loan.

Escrow disbursements will proceed until payoff funds are received: Issuing this payoff statement will not stop future escrow disbursements. Property taxes or insurance may be paid after this quote is issued. If such disbursements create escrow advances and change the amount due to satisfy the mortgage, this payoff quote will be deemed invalid.

Attorney fees and costs: Attorney fees and costs for work performed may be included in the Total Payoff Amount Due pursuant to the terms of the security instrument and as allowable under state law. The amounts included herein represent those attorney fees and costs for work completed and invoiced or for work completed or anticipated to be completed as of the Good Through Date or completion of payoff but not yet invoiced. If an attorney fee or cost will occur upon payoff, only the confirmed fee will be assessed in the amount of the actual cost and will be charged when the loan is paid in full and as allowed by applicable law.

Past due fees still apply: If the account is past due, collection expenses and legal fees may be accruing.

Per diem interest may change: If this is an adjustable rate mortgage, the per diem interest may change prior to payoff. The new per diem interest will be applicable for the payoff as well.

Mortgage insurance premium: If the account has mortgage insurance(MIP), the accountholder may also be required to pay an additional month of MIP if the payment is received in the calendar month following the "Total Amount Due to Pay Loan in Full" date.

The security instrument (Deed of Trust or Mortgage) will be released after payoff: After receiving the entire payoff amount, we will execute a release and discharge of the Deed of Trust/Mortgage and, if necessary, will file a withdrawal in connection with any legal action that may have been taken with regards to this mortgage account.
