RE: Proposal to furnish Design Services  
Surgery Pre-Op Holding Room  
Kenner Regional Medical Center

Dear Mr. Schonekas,

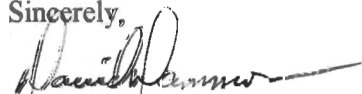

It was a pleasure to discuss with you the re-modeling of existing rooms into a surgery pre-op holding rooms. Dammon Engineering, Inc proposes to provide our services to design the above referenced facility including floor plan, floor finish and reflected ceiling plan, electrical plan, interior elevations and details, and a mechanical and plumbing plan. Dammon Engineering, Inc will also submit plans to the State Fire Marshal for review.

Our fee for design services is based on 7% of the construction cost, not to include the cost of hospital provided hardware, with a minimum fee of \$4550.00. The design fee will be billed upon completion of the bidding process, not to exceed 90 days from the date you receive the complete set of plans. If we provide a complete set of plans and you receive bids that do not allow you to complete the project we have set a minimum fee for these plans at \$4550.00. This fee includes the Fire Marshal application fee. The general contractor is responsible for permitting this project. Any required site visit(s) will be charged separately at the rate of \$.35/mile and \$125.00/hr.

Dammon Engineering carries \$1,000,000 Professional/General Liability Insurance, Auto Insurance and Workmen's Compensation Insurance.

We look forward to working with you on this project. Please indicate your acceptance of the above by signing below. If you have any questions, or require any further information, please feel free to call.

Sincerely,

David Dammon  
Project Manager
